### Notes

1. The Permanent Stallholder Permit upgrade entitles the applicant to a discount rate on most site fees. The fee is effectively a payment in advance to reserve an available market site and the discount rates ensure an overall “no extra cost” basis for reliable attendance throughout the trading year.
2. Card table sites are for participants that just need a bare minimum low cost space.
3. Please ask about other Market Site configurations and sizes. Applicants with food vans and other large equipment (e.g. a flat tray truck) are especially encouraged to make further enquiries. Every effort will be made to accommodate you within the capacity of the Ryan Park facility and the amenity of other Market Sites.
4. The Casual Stallholder rate includes free product listings on the website (photo and text) to advertise what you will have available on Market Day. Photos and text can be sent by email (preferred), by **Australia Post to PO Box 1991 Katherine NT 0851** or supplied in person at the market. Advertising material needs to be provided as soon as possible and at least 7 days in advance is ideal. Advertising material received after each Thursday prior to the Market day is not guaranteed to make it onto the website before each Saturday.
5. The Permanent Stallholder rate includes a free website display page in your own exclusive area on the website dedicated to promotion of your enterprise and product range as well as the free individual product listings as described above (4).
6. The free website is promoted at every opportunity in normal advertising for the Katherine Community Market (such as newspapers) and your primary source of information. Patrons are encouraged to visit the site often to see what's going to be at the market each Saturday.
